

Customer Care Policy

June 2023

Background

The Reserve Bank of India (RBI), on May 26, 2010, had set up a Committee on Customer Service, under the Chairmanship of Shri M. Damodaran. Many recommendations were given by the Committee with a view to improve the standards of service in Banks and to bring in a transparent and fair system for dealing with customers, which would result in uniform and high service standards across the Banking Industry. The Committee had submitted its report to RBI (August 03, 2011), which had directed Banks to implement those recommendations accepted by them. One of the recommendations was that Banks should have a Customer Care Policy.

Accordingly, in line with the recommendations of the Damodaran Committee, the Bank had formulated Customer Care Policy and the policy has been further revised in light of RBI's Circular on strengthening Grievance Redress Mechanism in Banks, as also keeping in view practices of select Peer Banks.
